

PKF Profile

Whether you are starting a new business, looking to grow your existing business, or planning to sell your business, you will require the assistance of an experienced adviser to partner with you to maximise your success.

PKF New England North West, which now consists of 30 local employees, have built a successful practice on client growth and referrals. A key strength is the partners' commercial experience in guiding organisations through their various stages of development and growth. We have the knowledge and experience gained from managing our own growing business and the on-going opportunities and challenges. We also work hard at giving clients what they want, when they want it, with a focus on delivering value. We understand that all clients see value differently, so we tailor our approach and delivery as necessary.

The practice continues to grow, incorporating the latest technology and business systems. As Chartered Accountants, we're dedicated to keeping up to date with the latest developments in the financial and tax world, and we're proud of the exceptional achievements of our team.

PKF New England North West offer a comprehensive range of services and, as a valued client of our business, you can expect the highest standard of service.
